

Whizz bang, whollop! Those were the sounds that disturbed Beans from doing her homework. It was raining outside so Beans stayed in her ~~write~~ house. Suddenly Beans heard a loud noise coming from the workroom. She got out of her bed and went to look. Now there was smoke in the workroom. "Dad's doing an invention again" thought Beans. ✓

Beans was eleven years old. She was ^{very} kind, caring and clever. She wore a black top, pink shorts and purple sunglasses. Quickly Beans put on her robe and slippers ^{then} ~~she~~ rushed downstairs, through the kitchen and into the workroom. Beans opened the dusty, brown door and said "Gadget man where are you?!" ✓

Beans ran upstairs to see if Gadget man was in ~~the~~ sight but no he wasn't.

Moments later Gadget man opened his eyes and said "where am I Oh wait I'm at home ^{isn't I?}" Suddenly he heard Beans's voice saying "Dad where are you?" ^{?!?} Gadget Man answered back but ~~no one~~ no one could hear him because he was in an invisibility machine. That meant that he was invisible! ✓

"Oh no" he said. How do I get out of this thing! "Well, we could try pushing some buttons." ^{Oh look I found the right button} ~~said~~ ^{to look for it} ~~as well~~ ^{as well} ~~he~~ ^{shouted} dad. "I only took 5 minutes ^{as well}."

"Dad, cheered Beans I can hear him!" Gadget man rushed downstairs and Beans ran up! BUMP! The invisibility machine was still on. ^{they both react} Who will be there next?! But little did Beans know Gadget Man had a spare ~~part~~ key for a time machine that was just in their cellar.
