1. Introduction

Catholic schools aim to be places where love of one's neighbour is obvious at all times. As St. John reports, Christ said to His disciples at the Last Supper 'This is my commandment, that you love one another, as I have loved you'.

Catholic schools are staffed by teachers and support staff who are not only qualified and expert in their own field but who also, having freely chosen to work in a Catholic institution, commit themselves to care for and support each other in every way possible consistent with the teachings of Christ, Gospel values, Catholic doctrine, and the ethos of the school.

Holy Cross Catholic Multi Academy Company (MAC) recognises that attending school regularly can be a protective factor for children and young people and that there is a strong relationship between good school attendance and achieving positive outcomes. The MAC has adopted this policy in order to promote positive pupil attendance

All members of our school communities have a duty to ensure that Gospel values underpin the relationships within the school and should draw on the guidance offered in 'Christ at the Centre'. Whilst not definitive, the core values based on the Beatitudes may be summarised as follows:

- faithfulness and integrity;
- dignity and compassion;
- humility and gentleness;
- truth and justice;
- forgiveness and mercy;
- purity and holiness;
- tolerance and peace;
- service and sacrifice (Christ at the Centre' 2008 Fr Marcus Stock STL MA).

Holy Cross Catholic MAC acknowledges its obligation to promote a positive learning and working environment.

Holy Cross Catholic MAC is also aware of its duties under racial, disability and gender equality laws including the training of employees in their responsibilities.

Holy Cross Catholic MAC will ensure that prompt and appropriate action is taken to deal with any complaints which come under the scope of this Attendance Policy. Holy Cross Catholic MAC expects all those dealing with complaints to make objective decisions, without fear or favour.

This policy will be applied in accordance with statutory regulations for the governance of Holy Cross schools which may apply at any time in accordance with the procedures and delegations adopted by Holy Cross Catholic MAC under those regulations.

This policy is for use by Holy Cross Catholic MAC and some academies' governance terminology differs within Archdiocesan Multi Academy Companies. This policy uses the term Director to represent Trustees of the Company. The term Local Governing Body is used throughout.

2. Aims

At Holy Cross Catholic Multi Academy Company (MAC) we value the attendance of all pupils. There is a strong relationship between good school attendance and achieving positive outcomes for children. It is recognised that attending school regularly can be a protective factor for children and young people. It is important that as a school we offer a safe environment, positive relationships, high quality teaching and learning opportunities to develop social and emotional skills.

Ensuring that children attend school every day will help achieve this ambition by maximising their education and social achievements as well as developing self-discipline, organisation and preparedness for the work environment. Improving attendance and reducing absence, especially persistent absence is a priority for our school and Coventry City Council.

Research commissioned by the Department for Education shows missing school for even a day can mean a child is less likely to achieve good grades, which can have a damaging effect on their life chances. As set out in this policy, we will work with families to identify the reasons for poor attendance and try to resolve any difficulties at the earliest opportunity.

Our attendance policy aims to give clear guidance to staff, parents, pupils, and governors to:

- Support pupil's achievement by establishing the highest possible levels of attendance and punctuality.
- Recognise the key role of all staff in promoting good attendance.
- Provide a clear framework for monitoring and responding to pupil absences.
- Make parents / carers aware of their legal responsibilities and ensure their children have access to the education to which they are entitled.

We recognise that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on safeguarding, prevention of bullying, behaviour, and inclusive learning.

3. Legal Framework

Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, aptitude and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at school or by education otherwise than at school. A child is of compulsory school age at the beginning of the term following their 5th birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.

The government expects all schools and local authorities to:

- Promote good attendance and reduce absence, including persistent absence.
- Ensure every pupil has access to full-time education to which they are entitled.
- and act early to address patterns of absence.

Parents are expected to perform their legal duty by ensuring their children of compulsory school age who are registered at school attend regularly.

In accordance with the Education Act 1996, we will work with parents and carers and the Local Authority to ensure that parents are supported to secure education for children of compulsory school age. Where required, we will formalise support and where necessary, work with the LA to use legal measures.

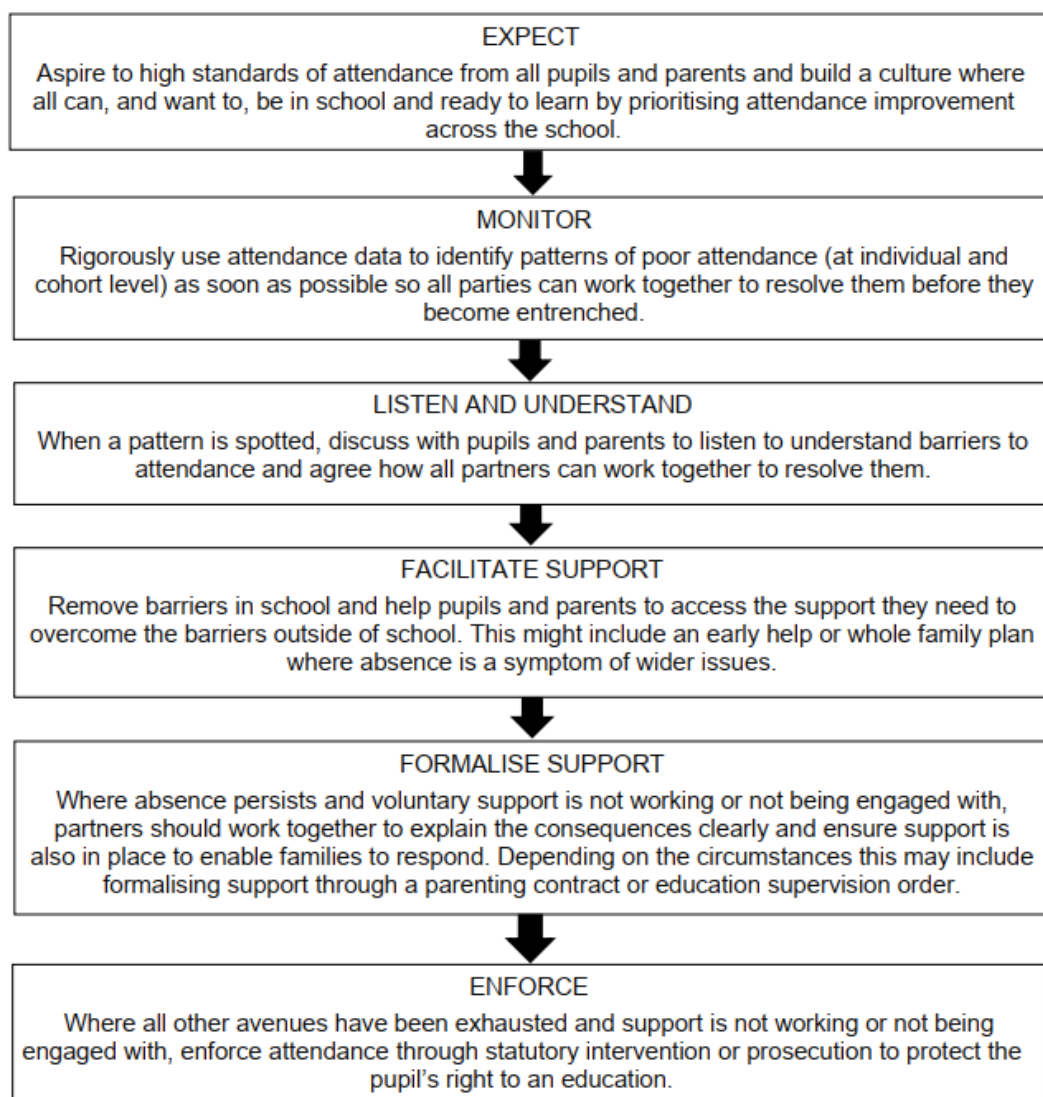

A "Parent" is defined as:

- Any natural parent, whether married or not
- Any parent who, although not a natural parent, has parental responsibility as defined in the Children Act (1989) for a child or young person
- Any person who, although not a natural parent, has care of a child or young person.

4. Attendance Objectives

Holy Cross Catholic MAC's School Attendance Policy:

- Is easy to understand by pupils, parents and staff
- Is clear and consistently applied, transparent and fair
- Considers the individual needs of pupils and their families
- Is easy to find so that the whole school community is aware of our attendance expectations
- Includes the contact details of key staff to make it easy for parents to get in touch
- Is reviewed by staff regularly and involves pupils and parents because school attendance matters to everyone
- Is followed in accordance with the procedures in the flowchart below:

5. Roles and Responsibilities (see also Appendix 4)

At Holy Cross Catholic MAC we believe that school attendance matters to everyone. School attendance is a shared responsibility by Directors, governors, all school staff, parents, pupils, and the wider school community.

Role	Name	Contact details
Senior Attendance Lead	Sarah Collins	stm-admin@hccmac.co.uk
Attendance Champion	Julie Hoare	stm-admin@hccmac.co.uk
Attendance Officer	Laura Mulchinock and Quinita Colaco	stm-admin@hccmac.co.uk
Named Governor/Trustee for Attendance	Iain Watson	stm-admin@hccmac.co.uk

5.1 The MAC Board

Directors of the MAC are committed to:

- Setting high expectations of all leaders, staff, pupils, and parents.
- Ensuring attendance is prioritised in wider improvement strategies, such as raising attainment, behaviour, special educational needs and disabilities, wellbeing, and safeguarding. This may include having a link governor or trustee that focusses on attendance.
- Ensuring the schools' attendance management processes are delivered effectively, and that consistent attendance support is provided for pupils who require it most by prioritising the staff and resources needed. This includes ensuring schools engage and work effectively with the local authority School Attendance Support Team and wider local partners and services.
- Ensuring high aspirations are maintained for all pupils, but that processes and support are adapted to the individual needs of particular pupils. This includes those with long term illnesses, special educational needs and disabilities, pupils with a social worker and pupils from cohorts with historically lower attendance such as those eligible for free school meals.
- Regularly evaluating the effectiveness of their school(s)' processes and improvement efforts to ensure they are meeting the needs of pupils as experiences and barriers to attendance evolve.
- In addition, the MAC Board will identify and monitor attendance patterns across their schools to identify common issues and barriers and share effective practice between schools.

5.2 The Local Governing Body

The Local Governing Body of St Thomas More Catholic Primary School recognises the importance of school attendance and promotes it across the school's ethos and policies. They take an active role in attendance improvement by:

- Supporting the school to prioritise attendance, and work together with leaders to set whole school cultures.
- Ensuring school leaders fulfil expectations and statutory duties.
- Ensuring school staff receive training on school attendance.
- Use data to understand patterns of attendance, identifying areas of progress and where greater focus is needed
- Regularly reviewing attendance data and help school leaders focus support on the pupils who need it.
- Designating a member of staff to have responsibility for the promotion of the education achievement of looked after and previously looked after pupils.
 - Monitor and review attendance of the cohort and consider how school policies, including behaviour policies, are sensitive to their needs and support good attendance.

St Thomas More Catholic Primary School will:

- Have a clear school attendance policy on the school website which all staff, pupils and parents understand.
- Develop and maintain a whole school culture that promotes the benefits of good attendance.
- Accurately complete admission and attendance registers.
- Have robust daily processes to follow up absence.
- Regularly monitor data to identify patterns and trends and understand which pupils and pupil cohorts to focus on.
- Have a dedicated senior leader with overall responsibility for championing and improving attendance.
- Proactively use data to identify pupils at risk of persistent absence.
- Work with each identified pupil and their parents to understand and address the reasons for absence, including any in-school barriers to attendance.
- Signpost and support access to any required services where out of school barriers are identified and act as lead practitioner if attendance is the only issue and/or threshold for formal Early Help is not met.
- Take an active part in the multi-agency effort with the local authority and other partners and if the case meets threshold the formal Early Help/family support, including conducting an Early Help assessment and acting as lead practitioner where all partners agree that the school is the best place to lead service. Where the lead practitioner is outside of the school, continue to work with the local authority and partners.
- Put additional targeted support in place to remove any barriers where absence becomes persistent.
- Hold more formal conversations with parents and be clear about the potential need for legal intervention in future where there is a lack of engagement.
- Work with the local authority on legal intervention where support is not working, being engaged with or appropriate.
- Intensify support through statutory children's social care where there are safeguarding concerns.
- Work with other schools in the local area, such as schools previously attended and the schools of any siblings.
- Agree a joint approach for all severely absent pupils with the local authority.
- Proactively use data to identify cohorts with, or at risk of, low attendance and develop strategies to support them.
- Work with other schools in the local area and the local authority to share effective practice where there are common barriers to attendance.
- Maintain the same ambition for attendance and work with pupils with SEND and/or medical conditions and their parents to maximise attendance.
- Ensure join up with pastoral support and where required, additional support and adjustments, such as an individual healthcare plan and if applicable, ensuring the provision outlined in the pupil's EHCP is accessed.
- Consider additional support from wider services and external partners, making timely referrals for children with SEND and medical conditions.
- Regularly monitor data for children with SEND and medical conditions, including at board and governing body meetings and with local authorities.

- Know who the pupils who have, or who have had a social worker are.
- Understand how the welfare, safeguarding, and child protection issues these pupils are experiencing, or have experienced, can have an impact on attendance – whilst maintaining a culture of high aspiration.
- Provide additional academic support and make reasonable adjustments to help pupils who have a social worker, recognizing that even when statutory social care intervention has ended, there can be a lasting impact on children’s educational outcomes.
- Informing the pupil’s social worker if there are any unexplained absences.
- Work in partnership with local authority Virtual School Head to develop and deliver high quality Personal Education Plans for looked after children that support good attendance.
- Work directly with parents to develop good home-school links that support good attendance including discussion on the use of Pupil Premium Plus for previously looked after pupils.

5.3 The headteacher

The headteacher is responsible for:

- Implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary

5.4 Parents

St Thomas More Catholic Primary School requests that parents:

- Ensure their child attends every day the school is open except when a statutory reason applies.
- Notify the school as soon as possible when their child has to be unexpectedly absent (e.g. sickness).
- Only request leave of absence in exceptional circumstances and do so in advance.
- Book any medical appointments around the school day where possible.
- Work with the school and local authority to help them understand the child’s barriers to attendance.
- Proactively engage with the support offered to prevent the need for more formal support.
- Proactively engage with the formal support offered – including parenting contract or voluntary Early Help plan to prevent the need for legal intervention.

5.5 Pupils

Pupils will:

- Be aware of the school's attendance policy and when and where they are required to attend. This will be communicated to them by school staff, parents and through the school timetable.
- Speak to their class teacher/tutor or another member of staff if they are experiencing difficulties at school or at home which may impact on their attendance.
- Attend all lessons ready to learn, with the appropriate learning tools requested and on time for the class.
- Follow the school procedure if they arrive late. This will help the school to monitor attendance and keep accurate records for the child's individual attendance. This is also vital for health and safety in the event of a school evacuation.

6. Recording Absence and Attendance (See Appendix 1 – updated 5.11.2024)

When marking our registers, we will apply the national codes as outlined and regulated by the Department of Education guidance to accurately record and report attendance.

6.1 Leave of absence

The headteacher can grant a leave of absence when a pupil needs to be absent from school with permission. The headteacher will restrict leaves of absence to the specific circumstance set out in regulation 11 of the School Attendance (Pupil Registration) (England) Regulations 2024. These circumstances are:

- Taking part in a regulated performance or employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances*

The headteacher can also allow pupils to be absent from the school site for certain educational activities or to attend other schools or settings.

*The headteacher will consider a leave of absence for other exceptional circumstances at their discretion. This must be requested in advance by a parent who the pupil normally lives with. The headteacher will consider each application individually taking into account the specific facts and circumstances and relevant background context behind the request. If a leave of absence is granted, the headteacher will determine the length of time the pupil can be away from school.

Generally, the DfE does not consider a need or desire for a holiday or leave of absence for the purposes of leisure or recreation to be an exceptional circumstance.

All absences associated with a family holiday (without exceptional circumstances) during term time will be marked as unauthorised on the register. Any parents known to have removed their child from school for the sole purpose of a holiday may be referred to the Local Authority by the headteacher and be issued with a fixed penalty notice.

Parents may request a leave of absence in exceptional circumstances by completing the Application form for Exceptional Pupil Leave and emailing it to stm-admin@hccmac.co.uk This must be done in advance of the period of leave requested. Any supporting documentation must be submitted with the application form.

If leave of absence is taken without the application form being submitted before the leave takes place, the absence will not be authorised and may result in a Fixed Penalty notice being issued.

An advice note for parents and carers and an application form to request leave of absence can be found in Appendix 2 and 3.

A penalty notice request may be submitted to the Local Authority by the headteacher should: -

- The parent fails to submit a leave of absence request in advance of taking the leave.
- An application for a leave of absence is not authorised by the headteacher but is still taken.
- A longer period is taken more than the agreed number of days.

When absence is granted by the Headteacher, the parent will need to agree a date of return. If a pupil fails to return on the expected date and contact is not received from, or made with the parents, school will seek advice from the Local Authority. This could result in a possible child missing from education procedure being instigated.

6.2 Medical Appointments and absence due to illness

Parents should try to make appointments outside of school hours wherever possible. Where appointments during school time are unavoidable, we ask that parent notifies the school in advance of the appointment wherever possible. The pupil should only be out of school for the minimum amount of time necessary for the appointment. In most circumstances, a child should not miss a whole day at school for an appointment. If a pupil must attend a medical appointment during the school day, the parent must:

- Inform the school of the appointment through arbor, by emailing stm-admin@hccmac.co.uk or ringing 02476 849910
- Provide evidence of the appointment (text, appointment card, appointment letter etc)
- Collect the child at the appropriate time.

No pupil will be allowed to leave the school site without parental confirmation.

In most cases, absences for illness which are reported following the school's absence reporting procedures will be authorised without the need for parents to supply medical evidence unnecessarily. In line with Department for Education guidance, if we do have a genuine concern about the authenticity of the illness, we may ask the parent to provide medical evidence, such as a prescription, appointment card, or other appropriate form of evidence. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.

6.3 Pupil Absence for the purposes of Religious Observance

Holy Cross Catholic MAC acknowledges the multi-faith nature of British society and recognises that, on some occasions, religious festivals may fall outside school holiday periods or weekends and is recognised as such by a relevant religious authority. Where this occurs, the school will consider either authorising the pupil absence or making special leave for religious observance. Parents are requested to give advance notice to the school.

6.4 Unauthorised Absence

Absence will not be authorised unless parents have provided a satisfactory explanation and it is accepted as such by the school. The decision to authorise absences is at the discretion of the headteacher. Examples of unsatisfactory explanations include but are not limited to:

- a pupil's/family member's birthday,
- closure of a sibling's school for INSET (or other) purposes,
- family holiday,
- refusal to attend school on health grounds but where the pupil is considered well enough to attend' holidays taken without the authorisation of the school.

7. Our Procedures

7.1 Register Keeping and Recording

The Education (Pupil Registration) (England) Regulations 2006, as amended, require schools to take an attendance register at the beginning of the morning session and once during each afternoon session.

On each occasion the register is taken the appropriate national attendance and absence code MUST be entered for every pupil (of both compulsory and non-compulsory school age) whose name is listed on the admission register at the time.

Pupils must arrive in school by 8.50am on each school day. The register for the first session will be taken at 8.50am and will be kept open until 9.30am. The register for

the second session will be taken at 1pm and will be kept open until 1.05pm. The school day finishes at 3.20pm.

7.2 Late Arrival at School

At St Thomas More Catholic Primary School all pupils are expected to arrive on time for every day of the school year. The school day begins at 8.50am. We advise all parents to ensure their child is on site prior to this. The school register will be taken at 9am. All pupils arriving after this time are required to report to the main office with their parents, who will be expected to provide a reason for their absence. If their arrival is before 9.30am it will be recorded as late - L code (Late before the close of register).

The school register will officially close at 9.30am. All pupils arriving on or after this time will be marked as having an unauthorised absence for the morning session - U code (Late after the close of register). This is categorised as an unauthorised absence for the session. Parents will be contacted to discuss any patterns of late arrival. Repeated arrival after the close of registration will result in appropriate interventions being instigated and may also result in a penalty notice being issued or prosecution.

Please note: L or U codes will be used if a pupil arrives after the close of the afternoon register for the PM session.

7.3 Expected absence procedure for parents

A parent has a legal responsibility to ensure that their child attends school regularly. If a child is unavoidably absent from school parents are expected to contact school by telephone call or email on the morning of the first day of absence and on each subsequent day, identifying the reason for absence and the expected date of return. If no contact is received, then absence protocols will be instigated.

If a child is absent, the following actions will be initiated by the school:

- The first day communication procedures will be activated for all pupils who are not in school after close of register at 9.30am and where no reason for absence is known.
- If there is still no contact made from the pupil's parents, a further telephone call home will be made that morning. If no response can be gained, the child's named emergency contact will be telephoned.
- If school cannot contact a parent and are concerned about a pupil, a home visit may be carried out.
- School will telephone home if a pupil leaves the school without permission.

In certain circumstances the school may also:

- Visit the home of the pupil.
- Write to the parents of a pupil to highlight attendance or punctuality issues.

- Invite parents to discuss how school can support the family to make improvement.
- Discuss the pupil at the termly Targeted Support Meetings to seek advice and guidance on additional support strategies.
- Refer to Early Help and/or other external agencies to offer support, guidance, and advice.
- Refer to the Local Authority for joint enquiries to be made to establish the whereabouts of the child through Children Missing Education procedures.
- Refer to the Local Authority to consider issuing a penalty notice or to consider prosecution when all other interventions have failed, or an unauthorised leave of absence has been taken.

7.4 Rewards and Interventions

Attendance data is monitored frequently.

- Class weekly attendance is shared with parents on the weekly newsletter
- Individual pupil attendance is monitored half termly to identify pupils at Stage 1, 2 and 3, or those at risk of entering the next stage.
- Attendance of children identified as being at Stage 2 or 3 and requiring additional attendance support is monitored daily.

Stage 1: Prevention

Criteria: Attendance is between 91% and 100%

Pupils who have attendance between 91% and 100% will receive support from school and other universal services they may be accessing i.e. GP School will:

- Reward pupils with a weekly attendance of 96% or above with a housepoint
- Share the benefits of good attendance with pupils and parents
- Send communication with parents requesting reason for absence if not received by 9.30am on first day of absence
- Telephone parents requesting reason for absence if no reason is received by midday.
- If no response can be gained, the child's named emergency contact will be telephoned.
- If school cannot contact a parent and are concerned about a pupil, a home visit may be carried out
- Welcome the child back to school after an absence
- Monitor absence every half term.
- Make parents aware if the child's absence is at risk of falling into Stage 2 at monitoring points
-

Stage 2: Early Intervention

Criteria: Attendance is between 81% and 90%

Pupils who have attendance between 81% and 90% may require support from other services outside of school and universal services at stage 1.

School will:

- Welcome the child back to school after an absence
- Identify high priority pupils to receive enhanced support, e.g. pupils whose low absence is as the result of an illness such as tonsillitis but has no other absences would not be high priority; a pupil who has had a number of small absences for reasons such as a headache or cough may be high priority
- Make a phone a phone call from the Learning Mentor on each day of absence if attendance priority
- Make a return to school phone call during the afternoon of an absence to support the child in returning to school the next day if attendance priority
- May operate daily attendance monitoring
- May contact parents to establish strategies to support
- May speak to the pupil to identify barriers for attendance
- May discuss the child at Targeted Support Meetings
- May seek support from other agencies, such as Early Help.

Stage 3: Targeted Support

Criteria: Attendance is below 80%

Pupils who have attendance below 80% may require multi-agency support in addition to that provided at stage 2.

School will:

- Welcome the child back to school after an absence
- Make a phone a phone call from the Learning Mentor on each day of absence if attendance priority
- Make a return to school phone call during the afternoon of an absence to support the child in returning to school the next day if attendance priority
- Operate daily attendance monitoring
- Contact parents to establish strategies to support
- Speak to the pupil to identify barriers for attendance
- Discuss the child at Targeted Support Meetings
- May conduct a home visit
- May seek support from other agencies, such as Early Help, SEND

8. Tailored Support

At St Thomas More Catholic Primary School we recognise that poor attendance can be an indication of difficulties in a family's life. This may be related to problems at home and or in school. Parents are encouraged to inform school of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, emerging health concerns. This will help the school identify any additional support that may be required.

We also recognise that some pupils are more likely to require additional support to attain good attendance. The school will implement a range of strategies to support improved attendance based on the individual needs and circumstances of the child.

Strategies we may use to support you include:

- Checking in with your child at regular intervals
- Addressing any barrier to attendance that has been identified
- Adapting your child's routine for arriving at school (e.g. changing the door they come in through, what happens first thing when they arrive, etc)
- Assigning a specific member of staff to greet them as they arrive
- Other strategy identified in conversation with you, your child or other professional.

To plan the correct support, we will always invite parents and pupils to attend a meeting to discuss the concerns and devise a plan to support the child's regular attendance. Support offered will be child centred and planned in discussion and agreement with both parents and pupils. This may include a referral to Early Help or a Parenting Contract.

9. Persistent Absence and the use of legal interventions

A pupil becomes a 'persistent absentee' (PA) when their attendance drops to 90% and below for any reason. Over a full academic year this would be 40 sessions (20 days). Absence at this level is causing considerable damage to a child's educational prospects.

The attendance of all pupils at our school are monitored to identify children who are PA, or are on track to becoming PA. Where emerging concerns are identified we will instigate appropriate and timely interventions as outlined in the section above. Referrals may also be made to external agencies for targeted support.

If parents fail to engage with support and their child continues to have unsatisfactory attendance/ punctuality, a request may be made to the Local Authority to pursue legal proceedings either through a penalty notice or prosecution in the Magistrates' Court.

Parents found guilty in a Magistrates' Court of failing to secure their child's regular attendance at school under the provisions of the Education Act 1996, will receive a criminal record and a maximum penalty of a £1000 fine under a Section 444 (1) offence or a £2500 fine or up to a 3-month prison sentence, under a Section 444 (1a) offence.

9.1 Penalty Notices

Penalty notices will be issued by the Head teacher to parents or carers if your children are absent from school. Penalty notices will be issued in line with the National Framework for Penalty Notices.

The threshold is 10 sessions (equivalent to 5 school days) for any unauthorised absence within a rolling 10 school week period. The 10-week period may span different terms or school years.

The school will prioritise a 'support first' approach offering support to families in cases where it is appropriate. Penalty notices can still be issued where support is not appropriate, such as leave of absence in term time or when support has not been engaged with.

Penalty Notices will be issued by post to your home address to each parent or carer by the local authority at the request of the Headteacher. The Penalty Notice is:

- £80 for each of your children if paid in full within 21 days.
- £160 if paid in full after 21 days but within 28 days.

If a second penalty notice is issued to the same parent within a rolling 3-year period, the notice will be charged at the higher rate of £160 with no option for this second offence to be discharged at the lower rate of £80.

A national limit of 2 penalty notices that can be issued to a parent of the same child within a rolling 3-year period has been set within the National Framework, so at the 3rd (or subsequent) offence(s) a prosecution will be considered.

10. Staged Reintegration/Reduced timetables

All children of compulsory school age are legally entitled to receive a suitable full-time education and the school and local authority have a statutory duty to ensure that all children in the area receive such an education. In very exceptional circumstances, we may decide to implement a temporary, reduced timetable to meet a pupil's individual needs and only where it is safe to do so.

We will not use a part time timetable to manage a pupil's behaviour. A part time timetable will not be treated as a long-term solution and will have a time limit by which point the pupil is expected to attend full-time or be provided with alternative provision where applicable.

We will never put a reduced timetable in place without written consent from parent/carer and/or other professionals working with the family as appropriate. This intervention will only be used as part of a comprehensive package of support for the pupil; it will be reviewed regularly in partnership with the child, parent and any other relevant professionals working with the family.

We will notify the Attendance and Children Missing Education Team of all part-time timetables as soon as a plan has been agreed and use the appropriate attendance code to record this within our admission register.

Exceptional Leave of Absence Advice for Parents

The school is very reluctant for a child to miss any part of his/her education.

1. There are a number of sources regarding attendance, including our school newsletters, the [school website](#) and the DfE (Department for Education) www.education.gov.uk. Term dates are published well in advance on the school website.
2. The reference in law to Headteacher's being able (at their discretion) to agree up to 10 days of leave of absence has been removed. **This means that holidays in term time will not be granted.** Under Government regulations, leave of absence can only be granted by the Headteacher in the case of exceptional circumstances and is for a maximum of **10 days**. The leave must be authorised **before** any tickets are booked and where possible, be at least 4 weeks before the beginning of the absence.

The decision to authorise absence rests with the school and once the decision is made, it is final.

3. When considering exceptional circumstances, the Headteacher will take into account:
 - Attendance - A child with any less than 97% attendance is unlikely to be granted extended authorised absence, regardless of the reasons for their prior absence.
 - Proximity to exam dates – No child in year 2 or 6 will be granted leave in the same term as the testing period.
4. If permission is granted, children must ensure they are up to date with their schoolwork before they leave and in addition, it will be parents'/carers' responsibility to ensure that their son/daughter makes up any missed work in his/her **own time** upon return to school.
5. If a child becomes ill whilst abroad, please note that before returning to school they **must** be seen by their GP in the UK and be certified fit to return.
6. If permission is granted photocopies of airline or travel tickets will be required by the school office **before** travelling.

Should you decide to take your child out of school without the Headteacher's permission, the absence will be recorded as unauthorised and a Penalty Notice by the Children and Families First Team under S23 (1) of the Anti-Social Behaviour Act 2003 and Sections 444A and 444B of the Education Act 1996 will be issued and may result in a fine of up to £160. If a child does not return to school, they may be taken off the school roll.

Please note: Local Authority Guidance states that if two Penalty Notices have already been issued for periods of unauthorised leave, a Penalty Notice will NOT be issued on the third occasion and you will be taken straight to Court under the higher level aggravated offence. This means that you may be subject to a much more severe penalty i.e. a maximum fine of up to £2,500 or 3 months in custody or, a community order which may involve you doing a number of hours of unpaid work.

The school will only authorise this absence if this form is completed and returned to the school at least **4 weeks before** you leave. In the event of an emergency situation at very short notice, please contact the school office who will refer to the Headteacher as necessary.

School Attendance Matters

In Coventry it is our belief that good school attendance provides our pupils with the best chance of a bright and successful future. We do however realise that for some pupils there are barriers to attending school.

Why school attendance matters

Regular school attendance is an important part of giving children the best possible start in life. The aim should be to attend 100% of the time.

Research shows that pupils who attend school regularly achieve at higher levels than those who do not attend regularly, and they also have wider life chances. Attending school on a regular basis also helps to develop:

- Friendships
- Social skills
- Life skills
- Career pathways

Missed days in school can have a significant impact on all the above.

Yearly attendance	Yearly days missed	Yearly learning hours missed	Learning hours missed during school life (YR-Y11)
100%	0	0	0
97%	6	30	360
95%	10	50	600
90%	20	100	1200
80%	40	200	2400
50%	100	500	6000

Overall Absence

In Coventry the overall absence rate for the academic year 2022/23 was 7.7%. This was 0.1% higher than the national average and 0.3% higher than the previous year in Coventry.

Those classed as disadvantaged (in receipt of Pupil Premium) have lower attendance than those classed as non-disadvantaged. For the academic year 2022/23 disadvantaged pupils in Coventry had an overall absence of 10.5%. This is 4.4% higher than the national average and 0.5% higher than the previous year.

For pupils with SEN Support or an EHCP the overall absence rate for 2022/2023 academic year was 10.6%. This is an increase of 0.3% from the previous year.

Persistent Absence

Persistent absence (those pupils who miss 10% or more of school) was 23.7% in Coventry for the academic year 2022/23. This is an increase of 0.2% from the previous academic year and is 2.4% higher than the national average for 2022/2023.

For the academic year 2022/2023 disadvantaged pupils in Coventry have a persistent absence rate of 10.5%. This has increase by 0.5% from the previous year.

For pupils with SEN Support of an EHCP the persistent absence rate for the academic year 2022/2023 was 32.5%. This has decreased by 0.3% from the previous year.

If the persistent absence cohort were to be removed from absence calculations the overall absence for Coventry would be 4.0%.

What are we doing in Coventry

The barriers to accessing education are far reaching and complex and do not solely begin and end with the school. Often these barriers extend further than school and are specific to individual pupils and their families.

With our One Coventry approach we will work alongside and in partnership with schools and services across Coventry to ensure all pupils are supported to be able to attend school and will work to remove the barriers to school attendance.

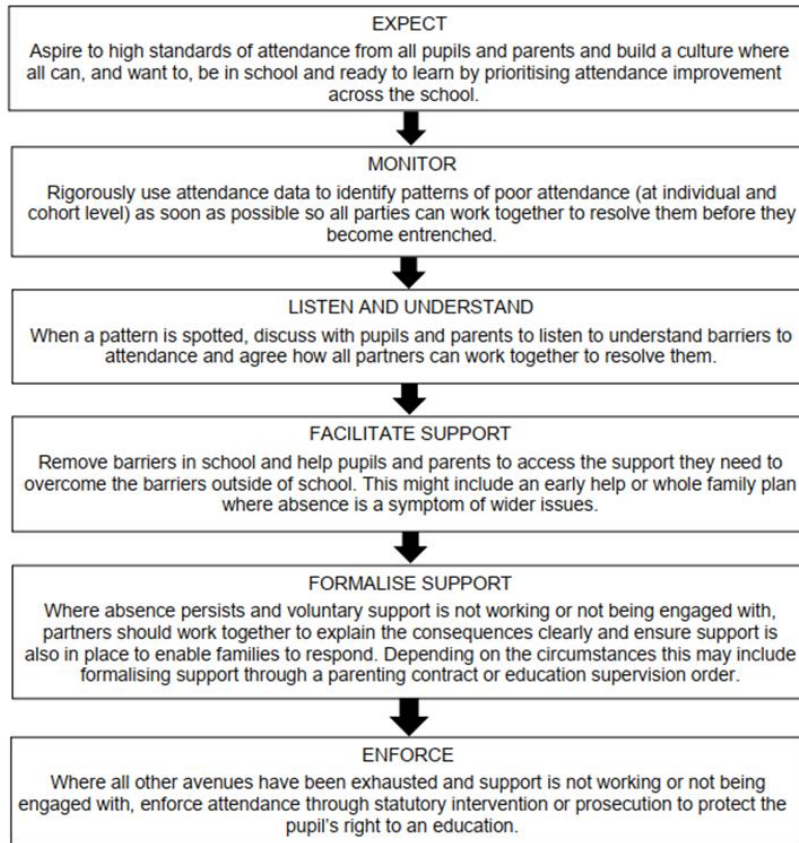

Good attendance is not something to be viewed in isolation and it is the role of all involved to work with and support pupils and their families as a collective.

Our key stakeholders in Coventry are

- Pupils and their families
- School Attendance Team
- Schools
- SEND
- Early Help
- Virtual School
- Social Care
- Health

Successfully treating the root causes of absence and removing barriers to attendance, at home, in school or more broadly requires schools and local partners to work collaboratively with, not against families. All partners should work together to:

Appendix 5: School Attendance Matters

How are we delivering attendance support in Coventry

Coventry's Staged Intervention model works to support schools, pupils and families to secure the right help at the right time.

Schools will provide a named school attendance officer who will act as the main point of contact for the named Local Authority School Attendance Officers (LAAO) and named Early Help Coordinators (EHAC).

Schools should seek support from Social Care if the child is known to be under a Child Protection plan or Child in Need plan. School attendance should inform part of the plan and social workers would be expected to be involved in any concerns raised around school attendance where they are already involved.

Stage 1: Prevention

Criteria: Attendance is between 91% and 100%

Lead practitioner: School

Pupils who have attendance between 91% and 100% will receive support from school and other universal services they may be accessing i.e., GP

Schools should follow their school attendance policy when a pupil is recorded as absent i.e.

- First day absence contact.
- Letter sent if absence falls below schools' attendance target

- If attendance does not improve request a meeting with parent/carer

Schools can contact their LAAO via phone or email for advice and guidance around attendance issues.

Stage 2: Early Intervention

Criteria: Attendance is between 81% and 90%

Lead practitioner: 1st school – 2nd EHAC if criteria is met

Pupils who have attendance between 81% and 90% may require support from other services outside of school and universal services at stage 1.

LAAO will attend termly meetings with the school and the EHAC to discuss pupils of concern and signpost the school to other services. *(See **Appendix i** for details of the Targeted Support Meetings).* **If the pupil is looked after the Virtual School and Social Worker should be invited to attend the Targeted Support Meeting if the pupil is due to be discussed.**

Schools should consider.

- Letters home
- Meeting with parent/carer in school
- Home visits
- Pastoral support
- Mentoring/counselling
- Reduced timetable
- SEMH&L
- SEND
- Extended School Non-Attendance Advisory Panel (ESNAAP)
- Social Care/Supporting Families teams (Children's Service)

Please note this list is not exhaustive.

Schools should also complete an Early Help Assessment to better understand the needs of the child and their family so that an Early Help plan can be developed to meet the needs with a clear focus on the outcomes and changes needed to address attendance concerns.

As part of the plan the school should consider the following in conjunction with the list above:

- Identifying appropriate agencies to form the Team Around the Family (TAF) who can offer specialist support.
- Registering the family with their local Family Hub and promoting the services on offer including the digital offer.

Schools must initiate an Early Help Assessment and, if required, access support from an EHAC, who will be able to support to undertake the Early Help assessment and deliver the Early Help plan. The support may include joint home visits, attendance at Team Around the Family meetings, making necessary referrals, signposting and

Appendix 5: School Attendance Matters

navigating to available services and advice and guidance relating to Right Help Right Time (RHRT) thresholds.

If during the completion of the Early Help Assessment, it is identified that the child and their family meet the Right Help Right Time level 3 i.e. multiple issues requiring a multiagency plan, the family may benefit from an intensive family support offer. The school can get advice from their EHAC regarding this and if a decision is made that the school is best placed to act as Lead Practitioner, the professional from school should request their EHAC to support them to complete a Request for Help for the family and for them to be allocated a Supporting Families Worker who will deliver the family support. School will be required to participate in the Early Help Assessment and Early Help plan as a key member of the TAF.

In most situations, the Children's Service Supporting Families team will be best placed to take the role of the Lead Professional and deliver a whole family plan, when the family's needs are complex and require a multiagency plan (i.e 3 or more SF criteria). However, there will be some occasions where schools are the best placed agency to be the lead professional. The decision for this will be made following the Early Help Assessment.

If a family does not meet 3 of the Supporting Families criteria, an Early Help request can be made and a more suitable agency to lead may be identified. The school should also support the family to register with their local Family Hub where they will be able to access a range of services and activities such as groups and activities and these can be included in the TAF as part of an Early Help plan that is led by a school.

At this point schools may also request a monitoring letter be sent out via the LA. Should the pupil's attendance not improve then a Fixed Penalty Notice can be issued following the monitoring period. (See **Appendix ii** for details on Fixed Penalty Notices)

A Penalty Notice can only be issued by a head teacher, or someone authorised by them (a deputy or assistant head), a local authority officer or the police.

Stage 3: Targeted Support

Criteria: Attendance is below 80%

Lead practitioner: LAAO

Pupils who have attendance below 80% may require multi-agency support in addition to that provided at stage 2.

When all attempts to engage with the pupil and family at stages 1 and 2 have failed school can discuss legal intervention with their LAAO. Schools will be asked to complete either the Stage 2 PN Attendance Intervention Request Form and/or the Stage 3 Prosecution Attendance Contract Referral Form with attached evidence that everything has been done to support the pupil in improving their attendance at school. If the LAAO is satisfied that the criteria have been met for legal intervention, they will support the school to complete one of the following.

- Attendance Contract
- Attendance Prosecution

Appendix 5: School Attendance Matters

- School Attendance Order (only used where a pupil is not on a school roll)
- Section 444(1) or 444(1A)

*(See **Appendix iii** for details on Legal Framework and Court Preparation)*

Follow up – legal intervention

If legal interventions have been discussed and agreed the LAAO agrees a time frame of support with schools around these interventions.

APPENDIX ii. – Fixed Penalty Notices (FPN)

To underpin the principle of support first and to improve the consistency of approach for pupils and parents across the country, Coventry City Council will prioritise the ‘support first’ approach expecting that support will have been offered to families in cases where it is appropriate. However, Penalty Notices can be issued without a Notice to Improve in cases where support is not appropriate (such as leave of absence in term time) or when support has not been engaged with.

Leave of Absence (LOA)

Unauthorised absence for holiday goes direct to **Stage 3** under Attendance Prosecution 444(1A).

Evidence required is detailed below and would not require the interventions as detailed above.

- Schools’ complete on-line application form for 5 consecutive days unauthorised absence.
- Schools **MUST** provide
 - full name and address of parents to be issued an FPN. **It is a school decision as to whom should be issued with a FPN** (consideration of circumstances around the LOA should be taken into account).
 - copy of Parent Leave of Absence Application Form (if requested in advance)
 - copy of school letter informing parent that LOA has been declined*.
 - School letter informing parent that the LOA will evoke a FPN.
 - *School letter should make it clear that a Penalty Notice will be requested for unauthorised absence to the LA and that exceptional circumstances has been considered.*
 - Registration Certificate (on child returning to school) displaying the G code (unauthorised absence).
- If the criteria are not met, the LA will **not issue** a PN.
 - Please note that contact with the school will not be made for further information if not provided at the initial referral stage.
- Enquiries regarding PN’s are to be made through Attendance@coventry.gov.uk.

*Schools need to ensure their letters are updated stating Attendance and Children Missing Education Team not Children and Family First Service, Education Entitlement Service, Targeted and Specialist Services or any other descriptor for the LA department.

Irregular Attendance (IA)

Penalty Notices can be requested by schools when there have been 10 sessions (5 or more days) of unauthorised absence in a 10-week period.

Stage 2 – Attendance 81% - 90%

- School may apply for a monitoring period as a first indicator that school attendance is becoming a cause for concern.
- Parent(s) will receive a formal warning of the possibility of an PN being issued and a maximum of 20 school days to affect an improvement.
- An attendance target will be issued with the formal warning.

Stage 3 – Attendance 80% and below

- Schools must evidence that attendance has not improved following the monitoring period and has now dropped below 80%.
- Schools must complete an 'Attendance Intervention' form evidencing that an Early Help Assessment has been offered/taken and other interventions have taken place before any legal action or a 1A prosecution can begin.

APPENDIX iii. – Legal framework and court preparation

Leave of Absence.

After the unauthorised absence of a pupil, schools can request the Council to issue a penalty notice (PN) to each parent. If this is paid, nothing further happens.

If the PN has not been paid, schools will receive an email from the LAO advising the PN has not been paid.

If schools wish to move to prosecution, they will need to take the following steps.

1. Use the template wording attached to the email to contact the parent by email, text or letter to find out any additional information and tell them they could now be taken to court by the Council. This will substantiate the school's decision that there are no "exceptional circumstances" in this case.
2. After the 7 days given in the communication to the parent, schools will then need to decide whether they want to proceed with a prosecution and if so:
 - a. Complete and sign the section 9 statement so that the Council can issue court proceedings.
 - b. Sign the attached attendance certificate.
 - c. Send the LA all of the exhibits referred to in the statement including a copy of the school's latest email, text or letter to the parent and any response. The LA will attach these to the statement.

The school's statement will be sent to court as evidence. The LA will send school a copy of the complete statement with the exhibits and a copy to Legal Services. If the parent pleads not guilty, the school will be called to give evidence at trial.

If the LA do not hear from school within **14 days** of receiving the non-payment notification email, the LA will assume the school does not wish the Council to go ahead with a prosecution against the parent.

Irregular Attendance Stage 3

(Section 4441(A) Prosecution – Aggravated Offence)

Use of the Attendance Contract.

When evidence indicates that all avenues of support have been offered to effect a change to school attendance, the LAAO will formalise the Contract using evidence that school have provided to them, via the Stage 3 Attendance Contract Referral Form.

- The Attendance Contract will be formulated by the LAAO, detailing the offers of support school have made and the interventions implemented, to effect a change to the school attendance pattern.
- The LAAO will send a Formal Warning Notice (standard template) inviting the parent/s into school for the Attendance Contract Meeting.
- The LAAO will chair the meeting and ensure that all relevant agencies working with the family are present (either in person or by Microsoft teams).
- The Attendance Contract is a voluntary agreement between school and parent/s with the LAAO acting at the Supervising Officer in the case.
- The LAAO will outline to the parent/s the offers of support made to date and give a further opportunity for parent/s to engage in the offers of support. This may require a further action plan if barriers (not known previously), are identified at this meeting.
- The LAAO will outline the Offence (Section 4441A) and the possibility of prosecution in the Magistrates Court, if school attendance fails to improve during the set 6-week period. The LAAO will set a date for an Attendance Contract Review (end of the Contract period).
- If parent/s fail to attend the meeting and no contact has been received asking for a re-scheduled meeting, the Attendance Contract meeting will proceed.
- The Attendance Contract will then be hand delivered by school, to the family home(s), in a final attempt to engage the parent/s in the process. A covering letter will be supplied by the LAAO (ahead of this planned meeting), for use if the home visit is unsuccessful. This letter will inform the parent/s of the Attendance Contract that has been implemented.
- The Attendance Contract will run for the 6-week period identified at the meeting. School and parent/s are expected to continue to work together during this period to address school attendance issues and carry out actions as identified at the meeting.
- When the Attendance Contract has run for the 6-week period, the LAAO will review the case with the school and the parent/s.
- If improvement or signs of improvement have taken place, there will be no further legal action at this stage.
- If there has been no improvement and unauthorised absences are still prevalent, the LAAO will inform the parent/s of the next steps of Prosecution.

Appendix 5: School Attendance Matters

- An Advisory Letter will be prepared by the Senior Officer from the School Attendance Team, inviting the parents to attend an Interview Under Caution (PACE). This will be hand delivered to the parent/s by the school.
- The PACE Interview will be held at the Council House in a formal setting.
- A Section 9 Witness Statement will be completed by the school.
- The LAAO will act as the Supervising Officer and advise on amendments/adjustments to be made to the S9 Statement. The LAAO will prepare the Certificate of Attendance using the evidence period, for Headteacher to verify and sign.
- The LAAO will complete all other required components of the court file before submitting to the Legal Team for Prosecution.

National Framework Letter to Parents Update June 2024

Insert school name, address and logo]

Dear Parent/Carer

Re: National Framework for Penalty Notices for school absence

I am taking this opportunity to write to inform you of some important changes the Government are introducing regarding school attendance and the issuing of penalty notices when children are absent from school.

A new National Framework for Penalty Notices is being introduced. The regulations will come into effect from the 19th of August 2024. The aim is to improve consistency in the use of penalty notices across England.

The national framework includes:

- A single consistent national threshold for when a penalty notice must be considered of 10 sessions (usually equivalent to 5 school days) for any unauthorised absence within a rolling 10 school week period. The 10-week period may span different terms or school years. For example, 2 sessions of unauthorised absence in the summer term and a further 8 within the autumn term.
- An increase to the rate of a penalty notice from £120 to £160 if paid within 28 days and £60 to £80 if paid within 21 days. If a second penalty notice is issued to the same parent for the same child within a rolling 3-year period, the notice will be charged at the higher rate of £160 with no option for this second offence to be discharged at the lower rate of £80.
- A national limit of 2 penalty notices that can be issued to a parent for the same child within a rolling 3-year period, so at the 3rd (or subsequent) offence(s) a prosecution will be considered.

The local authority is in the process of consulting with schools and partner agencies to develop a revised local code of conduct. The document will be published on Coventry City Council's website from 19th August 2024.

The Council and school believe good attendance is essential to support your child in getting the most out of their education and we thank you for your continued support.

Yours sincerely

Penalty Notices - Advice to Parents and Carers (August 2024)

What is the Anti-Social Behaviour Act 2003?

Section 23 of the Act gives powers to the Local Authority and other designated bodies to issue penalty notices where a parent / carer is considered capable of but unwilling to secure an improvement in their child's school attendance.

What is a Penalty Notice?

A Penalty Notice is a fine which may be issued as an alternative to prosecution. If it is paid it does not require a court appearance and does not result in a criminal record.

Why has it been introduced?

It is well recognised that regular attendance at school is crucial to a child or young person's future prospects. Reducing absence from school continues to be a priority both nationally and locally, because missing school can impact attainment levels, disrupts school routines, affects the learning of others and can leave young people vulnerable to anti-social behaviour and crime. In the longer term, missing school can also seriously affect a child's life opportunities.

A penalty notice is an alternative to prosecution, which does not require an appearance in Court whilst still securing an improvement in a pupil's attendance. Payment of a Penalty Notice enables parents to discharge potential liability for conviction for failure to ensure regular school attendance during the period in question.

Under the new national framework (19th August 2024), all schools will be required to consider a fine when a child has missed 10 or more sessions (5 days) for unauthorised reasons.

When are they used?

The Local Authority considers that regular attendance at school is of such importance that Penalty Notices may and usually will be issued where unauthorised absence occurs. A penalty notice can be issued if a child is absent from school for any of the following reasons:

Leave of Absence

Penalty Notices can be requested by schools for leave of absence in term time for 10 sessions (5 or more days). This can be consecutive absence, or non- consecutive. In line with the National Framework, the Local Authority retains the discretion to issue a Penalty Notice before the threshold is met.

Unauthorised Absence

Penalty Notices can be requested by schools when there have been 10 sessions (5 or more days) of unauthorised absence in a 10-week period. In these circumstances a Notice to Improve will be sent by the Local Authority on behalf of the school, this will detail the minimum support expected to have been implemented to improve school attendance.

Appendix 7: Penalty Notices - Advice to Parents and Carers (August 2024)

The Notice to Improve will also detail the expected improvements that must be made over a 20-day period to prevent the Penalty Notice being issued.

Under the new legislation, parents / carers commit an offence if a child fails to attend regularly, and the absences are classed as unauthorised (those for which the school cannot or has not given permission). Depending on circumstances, such cases will result in prosecution under Section 444(1) of the Education Act 1996.

How are they issued and what are the costs?

From August 2024, Penalty Notices will be issued by post to your home address. The Penalty Notice is:

- £80 if paid within 21 days (per parent, per child)
- £160 if paid in full after the 21 days but within 28 days. (per parent, per child)

This rate is in line with inflation and is the first increase since 2012.

- In the case of repeated fines, if a parent receives a second fine for the same child within any three-year period, this will be charged at the higher rate
- £160 within 28 days (per parent, per child)

Fines per parent will be capped to two fines within any three-year period.

Once this limit has been reached, other action like a Parenting Order or Prosecution will be considered.

How do I pay?

Details of payment arrangements will be included on the Penalty Notice. Payment can be made by cash (in person at our Customer Service Centre, Broadgate), by telephone (using a debit/credit card) or via the internet. The whole amount must be paid by the due date.

Note: payment in part or by instalment is not an option with Penalty Notices

What happens if I do not pay?

If not fully paid within 28 days and there is no reason to withdraw the notice, the Local Authority will consider prosecution in the Magistrate's Court for failing to ensure regular school attendance. A fine of up to £2,500 or a community penalty could be imposed together with a Parenting Order.

Is there an appeal process?

There is no statutory right of appeal once a Notice has been issued. The Local Authority is acting on behalf of schools and will not withdraw Penalty Notices, unless there has been a breach of the Code of Conduct. Advice and guidance is available for parents from school staff and the Attendance & Children Missing Education Team.

Can I be prosecuted if I pay the Penalty Notice, but my child is still missing school?

Not for the period included in the Penalty Notice (payment discharges your liability in this respect). However, it may be the case that a prosecution might be considered for further periods of poor attendance not covered by the Notice. If this is an issue, it is vital that you work closely with your child's school and support agencies.
